Description

Coming from a hybridization of Hosta Mighty mouse.

Height : about 10/15 cm.

Width : about 30/35 cm.

Dimensions of the leaves : about 5x4 cm.

The leaves are oval, dark green in the middle, yellow/green on the sides and well corrugated. The corrugated aspect of the leaves gives much charm to this variety.

Lavender color flowers in summer.

Big rhizome delivered in a 1 liter plastic pot.
