Description

Height : about 25/35 cm.

Width : about 45/65 cm.

Dimensions of the leaves : about 12 x 12 cm.

The leaves are large and round-shaped, yellow/green in the middle and darker green on the sides of the leaves. The sides of the leaf extend until the middle, which creates a beautiful color mix with various green tones. In summer, the middle of the leaf takes a beautiful white color.

Almost white flowers in July.

Big rhizome delivered in a 1 liter plastic pot.
