

# MAILLOT ERABLE

## Hosta tokyo smog

*Hosta tokyo smog*

ref. 11091

[\[+\] Show on the website](#)

### Description

This variety was introduced in Europe by Guy Maillot in 2015.

Height : about 40/45 cm.

The leaves are prettily variegated with yellow, green and white colors. The variegation changes depending on the plant and can give many colors, much charm.

Lavender color flowers in summer.

**Big rhizome delivered in a 1 liter plastic pot.**
