MAILLOT ERABLE

Japanese grafting blade right handle

ref. 11882

22,00€

[+] Show on the website

Description

Length 200 mm, width 30 mm. Measurements of the blade: 65 mm. Made of laminated steel this traditional tool is for grafting wounds. Taking the curved handle in your hand, use your thumb to push the blade upwards against the wound. A perfectly clean cut ensures proper healing of the branch.
