Description

Moyogi Style Pine – Strength and Elegance

Height: 700 mm Width: 600 mm Pot: fine handcrafted round unglazed pot, aged with natural patina, leather-brown color – Ø 350 x 80 mm Style: Moyogi (informal upright) Age: over 60 years Trunk: approx. Ø 70–80 mm, well tapered, with mature bark Nebari: approx. 200 mm Appreciate the strength and character expressed by its trunk, a true witness of time. Collected (yamadori) more than 30 years ago, this bonsai shows well-developed ramification and natural jins that enhance its presence. As a naturally seed-grown tree, it bears no graft marks, no heavy pruning scars, and no wire damage – ensuring authenticity and purity. Currently wired with copper for refinement, it offers excellent potential for the dedicated enthusiast who will continue to densify its canopy. Photographed in March 2025. Stand not included.
