Description

Japanese Garden Lantern in Genuine Granite 150 cm

Bring timeless Japanese elegance to your outdoor space with this impressive solid granite lantern, inspired by the serene landscapes of Kyoto. Each component is hand-carved from natural stone, combining authenticity, durability, and refined craftsmanship — perfect for enhancing a Zen garden, pond area, or pathway. Product details:

Total height: 150 cm

Weight: approx. 350 kg • Material: genuine granite, natural stone finish

Composition: 6 precisely fitted elements

Pre-drilled to allow discreet installation of electrical lighting inside the lantern
Approximate dimensions:

Top element: Ø 16 cm x H 13 cm

Roof: 60 x 60 cm x H 15 cm • Latticed light chamber: 31 x 31 cm x H 32 cm
the three other sides feature openings shaped like a moon, sun, and window (the window can hold a wooden and rice-paper panel, not included) See the photo for a suggested lighting setup (lighting not included).

Support element under the chamber: 46 x 46 cm x H 15 cm

Column: Ø 22 cm x H 55 cm • Base: 60 x 60 cm x H 21 cm This rare model, part of the Guy Maillot Selection, is a faithful replica of traditional lanterns found in Kyoto gardens. Each lantern is naturally weathered outdoors, allowing the stone to develop moss and lichen over time. This authentic patina gives every piece a unique character, highly valued in traditional Japanese garden design. Bring balance, beauty, and the spirit of Japan into your outdoor space with this exceptional piece.
