Description

Exterior: 160*125 mm. Height: 34 mm. Interior: 142*110 mm. Height: 24 mm.
An exceptional piece of Tokoname ware with raised dots and an unglazed, matt natural look. The red-brown colour of this bonsai pot comes from the fine-grained clay containing iron, which is typical of the area. The city of Tokoname has been a centre for pottery for thousands of years.
