Description

1 kit in black skai 235*205 mm. This is a brilliant starter kit for bonsaists and a good gift idea. The smart faux leather zipped case comes with top quality tools, including a coconut palm brush, binding wire 80 gr, 1 pair of straight scissors 180 mm and 1 digging tool 180 mm. The case can accommodate 7 tools in its elasticated compartments and the wrist strap makes it easy to carry.
