Description

Big rhizome delivered in a 1.5 litre plastic container. Hosta 'Diana Remembered' is notable for its large, very fragrant white flowers that bloom at the beginning of August and its white-margined foliage. The large leaves have a shiny, dark green centre. The variegated leaves change from yellow in spring to white in summer.

Leaves 30 cm long x 20 cm wide.

Adult height: 35 cm x 80 cm wide.

Descended from hosta 'Seventh Heaven' 1997 seedling.
