### Description

Hosta 'Hanky Panky' is popular for its exceptional changes in foliage colour throughout the seasons. The leaves have gold margins and a green-grey centre in spring, changing to gold-centred with a white edge by midsummer. Pale lavender flowers end of July to mid-August.

Height: 30 cm x 50 cm wide.

Descended from a 'Striptease', 2005, seedling.

Leaves 20 cm long and 13 cm wide.

**Big rhizome delivered in a 1.5 litre plastic container.**
