

MAILLOT ERABLE

Hosta candy dish

Hosta candy dish

ref. 7130

[\[+\] Show on the website](#)

Description

Big rhizome delivered in a plastic 1-litre container. Hosta 'Candy Dish' has shiny green leaves, 18 * 12 cm wide, that grow into a medium-sized mound. The ovate-shaped leaf blades feature ripples and a long, thin tip. Pale purple flowers with red stems are produced in September.

Adult height + - 50 cm.

Descended from a seedling of *H. longipes latifolia* 'Urajiro Hachijo'.

Big rhizome delivered in a 1 liter plastic pot.
