### Description

Leaves slightly wrinkled cream and pink in the spring when the buds burst, in the summer green and white on the new shoots, turning yellow in the fall. A fairly slow growing variety with a compact habit that is very rare in cultivation. Introduction in Europe Guy MAILLOT origin USA Oregon. **Tolerates full sun, if placed in shade in spring the variegation will be white and green instead of pink and green. For maple collector.** 3 liter pot size from 30 to 40 cm.

### Technical description
